📍 - community reached by the Caravan.

*For me, the caravan is a **unique experience**, the place where I learned what it really means to be a (future) doctor, the place that gave me **confidence in myself**, and where I discovered **another face of Romania**.*

Raluca Merinde, medical student

HUMAN RESOURCES

The volunteering team has always been the most valuable resource of the Caravan. Medical students work side by side with their older colleagues, helping each other out, all for the benefit of the patient.

*The Women's Health Caravan is a special occasion that teaches us how rewarding it can be to **put a smile on someone's face**, especially when it comes to mothers.*

Alexandru Șuteu, medical student

RESULTS

*It was a **thoughtful experience** by feeling the adverse consequences for those to which the national health care system is out of reach. The diagnosed findings clearly confirmed the need and importance for a better primary health and medical care in the deprived rural areas.*

Ronnie Bühr, President of Mana in Mana Foundation - Switzerland

Georgiana Stoica, kindergarten teacher

AWARDS

The awards we received both locally and nationally add up to the the gratitude received from our patients, local authorities and volunteers. This gives us the strength to pursue our mission.

- **Health Project of the Year**
@ 2018 Iași Volunteering Gala
- **First Place in Health Section**
@ 2018 Cluj Youth Gala
- **Health Project of the Year**
@2018 National Volunteering Gala

*I was impressed by how **involved** the the vounteers proved themselves to be, by how they formed a team and collaborated as if they've known each others for years. I have seen how each "thank you" received meant for them a boost of energy.*

Daniela Maria Mititelu, teacher of Slănic-Moldova School
